Site Description

Hampton Court Palace is an historic building and, therefore, has uneven surfaces.

The show is in a seated auditorium. Guests can stand during the show if they would prefer however we do advise guests to be mindful of those around them. Blocks A and AUC are in the tiered section of the venue with a total of 34 steps from Block A Row A to Block AUC Row MM

The ground on the East Front Gardens is a mixture of gravel and grass. Inside the palace itself (which includes the Auditorium and Clock Court bar) the flooring is a mixture of flagstones and cobblestones.
